Your gentle face and patient smile, with sadness we all recall, You had a kindly word for each, and died beloved by all.

The voice mute and stilled, the heart that loved us well and true, Oh, bitter was the trial to part, from one as good as you.

You are not forgotten loved one, nor will you ever be, as long as life and memory last, We will remember thee.

We miss you now, our hearts are sore, as time goes by, We'll miss you more.

Your loving smile, your gentle face, no one can fill your vacant place.
