What Is A Little Sister

One of my little sisters passed away just sort of slipped out during the day Truly she will be missed and Gods knows loved by many.

She had the most beautiful smile and oh what pretty white teeth.

It seems like yesterday she was crawling along with the cats and sharing there milk bowls. I would say, "no, no, little sister that's

not the way. Her legs always seem to be so long way passed my

waist. She would always say, "Shirley can you carry me, I am too

tired to walk a little further. When I comb her hair for school she

would make such a fuss. She'd say, "that's not the style I asked

for." I would say " you look so pretty!" She'd say "okay, if you

say so"! Now her main concern was prayer. She would always

say, Shirley pray for me. I need a lot of prayer. God took her

away just so she could rest from this world and it's problem.

Yes! She's resting now. I feel she's resting in the arms of God.

Rest on Vern.

We love ya,
Your big sisters
