Infantry was enlisted by Mr. Col. S. Billings of
the 33rd Regiment of Infantry at St. Augustine Fla
on the 15th day of January 1863, to serve 5 years; he was born
in St. Augustine in the State of Florida is sixty five
years of age, five feet 7 inches high, Dark complexion, Black eyes,
Airly hair, and by occupation when enlisted a Laborer. During the last two

months said soldier has been unfit for duty 40 days.* he has been unable
to do duty in the ranks for a year from a
lame thigh and a leg it has appeared to come
on gradually for the past year no doubt is
caused by old age

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Attending it.

When *ejects* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

When a *probable* case for *pension, special care* must be taken to state the *degree* of disability—*as 1, 2, 3, 4, 5, 6, 7, 8, 9, 10*, etc., etc., to describe particularly the disability, wound, or disease; to the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and especially in epilepsy, convulsions, chronic rheumatism, degeneration of the urinary organs, opthalmia, alcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out *duplicate* the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill it out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the Adjutant General, forward it to the Adjutant General, with the proper endorsement on this paper; see that the soldier is furnished with the proper discharge in duplicate, and forward BOTH of these certificates *direct* to the Adjutant General, United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

My dear Miss ~~My~~:

Your letter of May 22nd, in which you ask for evidence of the age of Samuel Emanuel, son of Jack Emanuel, Civil War veteran, has been referred to this office by the Veterans' Administration.

The pension file of Charlotte Emanuel, widow of Jack Emanuel, who served in Company A, 33rd U. S. Colored Infantry, contains Charlotte Emanuel's application for pension, dated September 14, 1885, in which it is stated that her son, Edward, was born in 1858 at Tocay, Florida. The file contains no other reference to any children of Jack and Charlotte Emanuel.

If we can be of any further service, do not hesitate to call upon us.

Yours very truly,

My dear Mr. Bailey:

Mr. Samuel Emanuel has applied to us for Old Age Assistance and we are writing you in an effort to establish his age. He has a letter from your organization stating that his father, Mr. Jack Emanuel, was a Civil War veteran. He had been a member of Company A, 33rd Colored Regiment. He enlisted on 1-15-63 and was discharged on 7-30-64.

The wife of Mr. Jack Emanuel, Charlotte Emanuel, applied for a Civil War Veterans' Pension in 1890 and at that time stated that she had no children under sixteen. At the time that Mrs. Emanuel applied for this pension were the names and ages of her children given? We are hoping to be able to establish the birth date and birth place of Mr. Samuel Emanuel by this means.

We shall appreciate very much any information you may have which will help us establish the eligibility of Mr. Samuel Emanuel for Old Age Assistance.

Very truly yours,
