Officiant: Father Donald Leger

My love,

You are not only my love, you are my best friend, companion, and husband. You are the world to me. The one thing I will miss is your loving smile.

Who is going to do all the things you used to do for me? Who is going to cook for me? Who is going to clean up for me? Who is going to take me places? Who is going to ask me, "Not, what do you want to eat" chicken or a link? Who am I going to fuss with? Who is going to play music in the house?

No one in this world will ever take your place. I will always do the one thing you always wanted me to do and that is take care of your "King" and "Queen."

Times will be hard, but with God's transforming power, there will be light and joy. On judgment day, we will be together again. I love you and will miss you always.

Love Shirley

Dad,

Though we have not had enough time to know, love and adore you, we promise to share with one another our memories and take care of "Mom." There aren't enough words to say what it will be like without you. We know you are in God's hands.

Love Troyetta and Troy, Jr.

Just For You Brother,

Troy I can't explain how I feel right now. All I know is my heart is hurting and I will miss you. I will miss your smile and our talks, I will miss your kind heart. Troy we've never had an argument and maybe it's because we were two of the same. I will keep up with Troyetta and Lil Troy. I want let them forget you. I know you're smiling down on us right now and you're probably saying, "Diey, don't cry," but it hurts that your gone. I promise we will smile and talk and see each other again soon.

We Love You!
Darlene and Dorinna
