It's just too many to name, but we thank you for your prayers, your kind words, your phone calls and all that you did to help make the wishes of Bro. Tye come to life.

From Heaven 1390 To HEAVEN

We always knew there would come a day,
When you'd have to go away.

You made radio so much fun,
You made your listeners number one.

We'll always remember the words you'd say,
We'll always remember "TYE'S THOUGHT FOR TODAY".

Tye's shift is over at seven,
Tye has gone from Heaven to HEAVEN.

When things got hard and tough, don't criticize you said;
"Don't look down on a man, unless you are picking him up".

You had a special way to say "Goodbye",
"Remember God loves you and so does Tye".

We really loved to hear your voice,
You made your station "Charleston's Choice".

"What time is it?" You would say,
"It's "T-TIME" and encouragement you would play.

Relax our good friend, Tye is on the air,
Enjoy our good friend, Tye is in the chair.

We'll be back God's willing you would say,
To be on the air for another day.

We remember you announcing through the storm,
You encouraged us to make it; it won't be long.

And so we remember that:

Tye's shift is over at seven,
Tye has gone from Heaven to HEAVEN.

In Memory

Dedicated to Bro. Tye
