E STRENGTH OF ONE WOMAN

By Glorimar Fontanez

*She played a different role in our lives,
a Mother, a Sister, and a Grandmother,
No matter what the love
We have for her is one, ask anyone
They will tell you the same, she brought
us joy when we had pain, the strength
I love of one woman held all of us together.
Even more now than ever,
she isn't physically here but we still
feel her near in every step we take
And every move we make,
at she's given to us no one can ever replace.*

ONE DAY AT A TIME

*You live your life one day at a time.
The words you shared were always kind.
You loved us all with your whole heart.
It saddens us to be apart,
And forever we hold you in our hearts.
Today you stand in God's bright light.
Watching over us day and night.
In our hearts you will remain
Until the day we meet again . . .
Forever your love will live on in our hearts
And the hearts of those you touched.
We are so grateful to God for blessing our lives
with the beautiful gift of you.
We miss you, sweet angel,
More than you can imagine.*
