THE COMMISSIONER OF PENSIONS.

SIR: In the above entitled claim, the last official call for evidence received by us was dated Jany 11, 1902, and on Jany 14 = 1902, we called upon the claimant for the necessary evidence or for information to enable us to procure it, and have repeated this call or reminded him of it ~~or written to witnesses~~ three different times since that date, the last time being this day. TO THE EXAMINING SURGEON.

The claimant named on the outside of this circular has been directed to report himself to you for examination within three months of the date hereof, when the validity of the order will cease.

Should he present himself, please examine him and make your report to this Bureau at once, in accordance with the instructions of the pamphlet already transmitted to you.

A particular description of the disability as it now exists, and a separate rating where more than one cause is found, must be given; and it must be clearly set forth in what form or manner, and from what probable causes, an increased disability, if any, has resulted.

You will use the following distinctive terms to designate the degrees of disability, viz:

1. Claimants so disabled as to "require the regular presence, aid, and attendance of another person," are entitled to a *First Grade* rating.

2. Those so disabled as to be unfitted for "the performance of any manual labor," to *Second Grade.*

3. Those who suffer a disability "equivalent" to the loss of a hand or foot, to *Third Grade.*

4. The surgeon should certify to the fact, only, in each of the following disabilities: The loss of a hand or foot; of both hands or feet; of sight of both eyes; of one eye, the sight of the other having been previously lost; of arm *at* or above elbow; of leg *at* or above knee; of leg by amputation at hip joint; of arm by amputation at shoulder joint; of hearing of both ears so that subject is compelled to use artificial aid.

5. When claimant is totally and permanently disabled in both a hand and a foot, the surgeon should certify to the fact, and explain *why* it is he is so disabled.

6. When disability falls below above-named grades, the ground of comparison should be anchylosis of wrist or ankle, and disabilities should be rated accordingly.

7. When disability is *greater* than that caused by anchylosis of wrist or ankle joint, and *less* than that caused by loss of hand or foot, the latter disability is taken as a basis of comparison.

8. The *Third* is the only grade subject to fractional divisions.

9. The lowest degree of disability pensionable is ¼.

The surgeon may inform the claimant of the result of the examination, as to whether or not in his judgment there is any pensionable disability, BUT IN NO CASE SHOULD HE COMMUNICATE HIS OPINION TOUCHING THE DEGREE OF DISABILITY—THAT IS TO SAY, THE SURGEON MUST NOT STATE HIS RATING TO THE CLAIMANT.

NOTICE.—This Circular *must be returned to this Bureau with your certificate of examination*, accompanied by your daily account, or in the event of the person named in it failing to report within the specified time, return it indorsed as follows: "Claimant failed to appear within the specified time."

NOTICE TO CLAIMANT.

THIS CONTRACT IS PERMISSIBLE UNDER THE LAW, BUT NOT COMPULSORY.

READ THE FOLLOWING COPY OF THE STATUTE.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, * * *

SEC. 3. That section 4785 of the Revised Statutes is hereby re-enacted and amended so as to read as follows:

"SEC. 4785. No agent or attorney or other person shall demand or receive any other compensation for his services in prosecuting a claim for pension or bounty land than such as the Commissioner of Pensions shall direct to be paid to him, not exceeding $25; nor shall such agent, attorney, or other person demand or receive such compensation, in whole or in part, until such pension or bounty land claim shall be allowed: *Provided*, That in all claims allowed since June 20, 1878, where it shall appear to the satisfaction of the Commissioner of Pensions that the fee of $10, or any part thereof, has not been paid, he shall cause the same to be deducted from the pension, and the pension agent to pay the same to the recognized attorney."

SEC. 4. That section 4786 of the Revised Statutes is hereby amended so as to read as follows:

"SEC. 4786. The agent or attorney of record in the prosecution of the case *may cause to be filed with the Commissioner of Pensions duplicate articles of agreement, without additional cost to the claimant, setting forth the fee agreed upon by the parties, which agreement shall be executed in the presence of and certified by some officer competent to administer oaths. In all cases where application is made for pension or bounty land, and no agreement is filed with the Commissioner, as herein provided, the fee shall be $10, and no more.* And such articles of agreement as may hereafter be filed with the Commissioner of Pensions are not authorized, nor will they be recognized except in claims for original pensions, claims for increase of a pension on account of a new disability, in claims for restoration where a pensioner's name has been or may hereafter be dropped from the pension-rolls on testimony taken by a special examiner, showing that the disability or cause of death on account of which the pension was allowed did not originate in the line of duty, and in cases of dependent relatives whose names have been or may hereafter be dropped from the rolls on like testimony, upon the ground of non-dependence, and in such other cases of difficulty and trouble as the Commissioner of Pensions may see fit to recognize them: *Provided*, That no greater fee than $10 shall be demanded, received, or allowed in any claim for pension or bounty land granted by special act of Congress, nor in any claim for increase of pension on account of the increase of the disability for which the pension had been allowed: *And provided further*, That no fee shall be demanded, received, or allowed in any claim for arrears of pension or arrears of increase of pension allowed by any act of Congress passed subsequent to the date of the allowance of the original claims in which such arrears of pension or of increase of pension may be allowed."

And if in the adjudication of any claim for pension in which such articles of agreement have been or may hereafter be filed, it shall appear that the claimant had, prior to the execution thereof, paid to the attorney any sum for his services in such claim, and the amount so paid is not stipulated therein, then every such claim shall be adjudicated in the same manner as though no articles of agreement had been filed, deducting from the fee of $10 allowed by law such sum as claimant shall show that he has paid to his said attorney.

Any agent or attorney or other person instrumental in prosecuting any claim for pension or bounty land, who shall directly or indirectly contract for, demand, or receive, or retain any greater compensation for his services or instrumentality in prosecuting a claim for pension or bounty land than is herein provided, or for payment thereof at any other time or in any other manner than is herein provided, or who shall wrongfully withhold from a pensioner or claimant the whole or any part of the pension or claim allowed and due such pensioner or claimant, or the land-warrant issued to any such claimant, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for every such offense be fined not exceeding $500 or imprisonment at hard labor not exceeding two years, or both, in the discretion of the court.

NOTICE TO CLAIMANT.

THIS CONTRACT IS PERMISSIBLE UNDER THE LAW, BUT NOT COMPULSORY.

READ THE FOLLOWING COPY OF THE STATUTE.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, * * *

SEC. 3. That section 4785 of the Revised Statutes is hereby re-enacted and amended so as to read as follows:

"SEC. 4785. No agent or attorney or other person shall demand or receive any other compensation for his services in prosecuting a claim for pension or bounty land than such as the Commissioner of Pensions shall direct to be paid to him, not exceeding $25; nor shall such agent, attorney, or other person demand or receive such compensation, in whole or in part, until such pension or bounty land claim shall be allowed: *Provided*, That in all claims allowed since June 20, 1878, where it shall appear to the satisfaction of the Commissioner of Pensions that the fee of $10, or any part thereof, has not been paid, he shall cause the same to be deducted from the pension, and the pension agent to pay the same to the recognized attorney."

SEC. 4. That section 4786 of the Revised Statutes is hereby amended so as to read as follows:

"SEC. 4786. The agent or attorney of record in the prosecution of the case *may cause to be filed with the Commissioner of Pensions duplicate articles of agreement, without additional cost to the claimant, setting forth the fee agreed upon by the parties, which agreement shall be executed in the presence of and certified by some officer competent to administer oaths. In all cases where application is made for pension or bounty land, and no agreement is filed with the Commissioner, as herein provided, the fee shall be $10, and no more.* And such articles of agreement as may hereafter be filed with the Commissioner of Pensions are not authorized, nor will they be recognized except in claims for original pensions, claims for increase of a pension on account of a new disability, in claims for restoration where a pensioner's name has been or may hereafter be dropped from the pension-rolls on testimony taken by a special examiner, showing that the disability or cause of death on account of which the pension was allowed did not originate in the line of duty, and in cases of dependent relatives whose names have been or may hereafter be dropped from the rolls on like testimony, upon the ground of non-dependence, and in such other cases of difficulty and trouble as the Commissioner of Pensions may see fit to recognize them: *Provided*, That no greater fee than $10 shall be demanded, received, or allowed in any claim for pension or bounty land granted by special act of Congress, nor in any claim for increase of pension on account of the increase of the disability for which the pension had been allowed: *And provided further*, That no fee shall be demanded, received, or allowed in any claim for arrears of pension or arrears of increase of pension allowed by any act of Congress passed subsequent to the date of the allowance of the original claims in which such arrears of pension or of increase of pension may be allowed."

And if in the adjudication of any claim for pension in which such articles of agreement have been or may hereafter be filed, it shall appear that the claimant had, prior to the execution thereof, paid to the attorney any sum for his services in such claim, and the amount so paid is not stipulated therein, then every such claim shall be adjudicated in the same manner as though no articles of agreement had been filed, deducting from the fee of $10 allowed by law such sum as claimant shall show that he has paid to his said attorney.

Any agent or attorney or other person instrumental in prosecuting any claim for pension or bounty land, who shall directly or indirectly contract for, demand, or receive, or retain any greater compensation for his services or instrumentality in prosecuting a claim for pension or bounty land than is herein provided, or for payment thereof at any other time or in any other manner than is herein provided, or who shall wrongfully withhold from a pensioner or claimant the whole or any part of the pension or claim allowed and due such pensioner or claimant, or the land-warrant issued to any such claimant, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for every such offense be fined not exceeding $500 or imprisonment at hard labor not exceeding two years, or both, in the discretion of the court.
