Tribute

The only days have passed dear father, it seems we miss you more each day.
And we are so oft sad and lonely, since you passed away.
For since you are gone, "Our Dear one" and the voice we loved is still a place vacant in our home,
which can never be filled.

Nobody knows how much we miss you, Oh how hard it was for us
To say, Thy Will be done, Dear Lord, and your sweet face no more to see

Oh we miss you so our dear father
And the tears do freely flow
For we yet can't understand
Why it was you who had to go
But we are trying to be submissive
For we know "God knoweth best
And we're sure that you are with Him
In the land of peace and rest.

And someday we are going to meet you, just how long we cannot tell
Till we're with you and the others we have lost and our blessed Lord to dwell.

Your Daughter
Gracie
