“Tribute to My Son”

So many times I will miss you.
So many times I will cry.
If my love could have saved you,
You never would have died.

In life I loved you dearly.
In death I love you still.
In my hearts you hold a place
No one can ever fill.

It broke my heart to lose you,
But you didn't go alone.
For part of me went with you
The day God called you home.

Your mom,
Geneva Lockhart

FOOTPRINT

One night a man had a dream. He dreamed that he was walking along the beach with the Lord, and across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand. One set belonged to him, and the other set to the Lord. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life, there was only one set of footprints. He also noticed that this happened at the most troublesome times in his life. This really bothered him and he questioned the Lord about it. “Lord, you said that once I decided to follow you, you would walk with me all the way, but I noticed that during difficult times in my life, there is only one set of footprints. I don’t understand why, in times when I needed you most, you would leave me.” The Lord replied, “My precious, precious child. I love you and would never leave you. During your time of trial and suffering, when you see only one set of footprints, it was then that I carried you.”
