## The Beginning to Where We Started:

*It may have felt like a lost but it's our biggest gain  
God called his daughter home and gave us an angel of our own.  
Heaven has opened the gates and she has flown along, she has  
been the greatest blessing to us all, tomorrow isn't promised and  
today is a test God needed her now.*

*We will meet with her again.  
Ron Neice, Granddaughter*
