Case of Caroline Anden ,

No. 1086,769.

On this 23rd day of May , 1918, at Cannonsburg
county of Jefferson , State of Miss. before me,
J. B. Steed , a Special Examiner of the Bureau of Pensions,
personally appeared General J. Tyler , who, being by me first
duly sworn to answer truly all interrogatories propounded to him
during this special examination of aforesaid claim for pension,
deposes and says:

6-5121

- 1 I am 61 years of age; P.O. Cannonsburg, Mississippi.
- 2 I was the slave of Richard Harrison. My mother was Mary
- 3 Jane Tyler, and my father was Gabe Tyler. I have one half
- 4 sister, Caroline Anderson. She was named Caroline Williams
- 5 before she married Sam Anderson. Her father was said to have
- 6 been named Williams but he died before I can remember.
- 7 My sister, Caroline Williams, was married to Sam Anderson in
- 8 Natchez some time after peace was declared and I was there at
- 9 time they were married but I was small at the time and just can
- 10 recollect about their being married. I do not know the year it
- 11 was that they married, but it wasn't so very long though after
- 12 the war closed till they were married. They were both living
- 13 here in this vicinity when they were married. Caroline was then
- 14 living on the Dick Harrison place, and Sam Anderson was living
- 15 on the Will Hall place. They lived together continuously from
- 16 the time they were married until Sam Anderson died. My sister
- 17 Caroline has not remarried.
- 18 I knew Sam Anderson by the name of Anden, and I think he served
- 19 in the army by that name. I never did hear him say who his
- 20 father was, but suppose he took his father's name after he came
- 21 out of the army. I think he said he served in the army under
- 22 his old master's name. I remember he told me that he lived in
- 23 Copiah county when he joined the army. He told me that he went
- 24 from Copiah county to Natchez after the war broke out and that
- 25 he enlisted there in Natchez. He used to tell me a right smart
- 26 about his army service and about the soldier's there in Natchez
- 27 and I am sure that he was in the army. I almost know he was.

Case of Caroline Anden

No. 1086,769.

On this 23rd day of May, 1918, at Fayette
county of Jefferson, State of Miss. before me,
J. B. Steed, a Special Examiner of the Bureau of Pensions,
personally appeared Henry Buckley, who, being by me first
duly sworn to answer truly all interrogatories propounded to him
during this special examination of aforesaid claim for pension,
deposes and says:

6-5121

My age is 70 years. P.O. Fayette, Miss. Route 1 Box 31.

I am a pensioner under certificate No. 818,987. I served
in Co. C, 58th U.S.C. Inf. I enlisted in Natchez and was
discharged at Vicksburg, Miss., along in May 1866. I was in
the service about two and one half years.

I knew Samuel Anderson and he was in the army and was in the
6th Heavy Artillery, but I do not know in what company he
served. His regiment was located there in Natchez and there is
where I first met him. I do not know where he was from and do
not know who his owner was before the war. I met him first, at
Natchez after I had enlisted in the service. He was then a
soldier in the army and he was drilling and doing general army
service in the Heavy Artillery. I often met Samuel Anderson
there in Natchez, as we boys would often go from one company and
regiment to another. I last saw him there at Natchez in the
service. After that my company left Natchez and we did not return
there for service any more. I next saw Samuel Anderson near the
little place called Cannonsburg, and he had gone there to live
and he lived near there till he died. I did not see his body
after he died but I would often meet up with him after he moved
to Cannonsburg, just after the close of the war. I would often
see him there and at Fayette when he would be up there on
business. Samuel Anderson went by the name of Samuel Anden
in the army, but I do not know why he took that name, or why he
took the name Anderson after he came out of the army. I know that
the Samuel Anderson that I knew at Cannonsburg, along after the
close of the war was the same man I knew in the 6th Heavy Atry,

there in Natchez. I know that I cannot be mistaken about that. I knew him well in the service and talked with him often in the camps and after we came out of the service we were good friends-at times we lived pretty close together.

He was not married while he was in the army and if he had any woman there in the company I do not know it. I am pretty sure he had no wife in the army. His first wife, that I knew any thing about, was Caroline, and she was either a Tyler or a Williams but I think her correct name was Williams, and that her mother was married the second time to a man named Tyler. I did not see Samuel Anden and Caroline married but heard of their marriage.

I do not know where they were married. They married right soon I think after the close of the war. Yes, they lived together from the time they were said to have been married till Anderson died. I know that Caroline has not remarried since her husband died. No, I do not know why Samuel Anden changed his name to Anderson, but he told me that he served as Anden and not Anderson and when I first knew him he was going by the name Anden. When they called the roll he was known as Anden. He answered to that name. Yes, he drew a pension during his life time. I know of no one that served in the same company with Anden.

I am not related and have no interest in this case, I have heard this statement read and have been correctly reported herein.

Case of Caroline Anden,

No. 1086,769.

On this 22nd day of May, 1919, at Cannonsburg
county of Jefferson, State of Miss. before me,
J. B. Steed, a Special Examiner of the Bureau of Pensions,
personally appeared Jeanet Kennedy, who, being by me first
duly sworn to answer truly all interrogatories propounded to her.
during this special examination of aforesaid claim for pension,
deposes and says:

6-5121

1 I am about 65 years of age: P.O. Cannonsburg, Miss.
2 I am the wife of Elder Phil Kennedy, and he preaches and farms.
3 I have lived in this country all my days. I belonged as a
4 slave to Richard and Fannie Harrison, and they owned a plantation
5 near Cannonsburg, Miss., but my old Misses and Master are both
6 dead. They owned a number of slaves before the war but most of
7 them are pretty well gone. All the older set are about dead
8 out and gone. Yes, I knew Samuel Anden and he was called by name
9 both Anderson and Anden. I do not know which was his right name.
10 He served in the army, so he told me, but I never knew him until
11 after he came out of the army. He settled here in this part of
12 the country and stayed ^{on} the William Hall place just after the
13 war closed. When I first knew him he was not married and he had
14 never been married to my knowing before he married Caroline
15 Williams, and I was present when they were married in the office
16 of old Mr. Foster and he was clerk of the court at that time.
17 Well, I think the clerk of the court there in the Court House
18 married Samuel Anderson and Caroline. I know that I was there
19 to witness the marriage and I heard the Clerk of the Court read
20 over to them the marriage ceremony and I heard him say that he
21 pronounced them man and wife and they joined hands and saluted
22 each other in the customary way. There were others there at
23 the time, Major White, Emerline Sposely, Caroline's sister,
24 and now dead. Della Tyler was also there but they are all dead
25 now. I am the only living person that was there at the wedding.
26 We all went from this neighborhood down Natchez to do our trading
27 in those days, and knowing that Caroline and Samuel Anderson were

going to get married we went along to see them married.
Caroline and I were house girls together and belonged to the
same white folks and were like sisters almost except that she was
some older than me. Oh yes, I knew Caroline's mother Mary Jane
Tyler, and she used to be cook for my old misses. She married
Gabe Tyler and he was Caroline's step-father. I do not know who
her own father was but he died before I was born. Caroline's
father was named Williams, and that is how she came to have that
name when she married Samuel Anderson. Yes, she always went
by the name of Caroline "Williams" before she married Samuel Anden
or Anderson. Oh no, Caroline was never married I personally know
before her marriage to Samuel Anderson. She never lived with any
man before that time. She was a right young girl like. No, she
had no children before she married Anderson. Caroline and Anden
raised a right smart of children- nine in all I think-five boys
and four girls. Yes, Caroline and Samuel Anden lived in the home
together-in this vicinity-from the time they married until Mr.
Anden died and I saw his body after he died. He died along in
November 1916. I have been close neighbor to Caroline since her
husband died and I know that she has not remarried. She is a good
moral woman and minds her own affairs. Yes, she is a good member
of the church and I must say that Caroline has always been a
good quiet woman- one that can ^{be} relied upon. I have known her like
a sister and never knew any thing wrong about her.
I am not any relation, I have no financial interest in this case
I have heard this statement read and it is correct.

1 I am 66 years of age; P.O. Cannonsburg, Miss.
2 I am an Elder in the church. I preach and farm some.
3 I have lived in this part of the country all my days. I was
4 born about two miles from here.
5 I know Caroline Anden and she is the widow of Samuel Anden
6 and he died near me along in November 1916, and I saw his body
7 after he died. I had known Samuel Anden for forty-odd years
8 before he died. I met him soon after he came out of the army,
9 and he was then living near here on the Hall place. I think this
10 was about the 2nd years after the war closed. He was not then
11 married and if he had ever been married I do not know it. He was
12 then going by the name Anderson, but I understood that his right
13 name was Samuel Anden, and that he served in the army under that
14 name. I never knew where he ^{was} born and raised. He married Caroline
15 Williams and I knew her in slavery times. She belonged to Capt.
16 Dick Harrison near this place. Her father was a Williams, but he
17 died before I can remember. All the name I ever knew Caroline
18 to go by before she married Anderson, was Caroline Williams.
19 Her mother was married to Gabe Tyler, but Caroline never took
20 the name Tyler. I did not see Caroline and Samuel Anderson
21 when they were married, but I knew about the time they were
22 married and I heard they were married in Natchez, and I remember
23 the time they went there to be married, and I remember some of
24 the folks went along with Caroline and Anderson when they got
25 married, and my wife, Jeanet, went along and saw them married.
26 I know there was a right smart of talk about Samuel Anderson
27 and Caroline's marriage at the time it took place.

28 Yes, they lived together from the time they came back here and
29 said they were married till Anderson died. I have lived near
30 neighbor to Caroline Anden since the death of her husband, and I
31 know that she has not remarried. Caroline is not a member
32 of my church but she is a church member and in good standing.
33 I have never known or heard of any thing against the woman's
34 moral life and I have always known her as a good honest woman.
35 I know that Caroline was never married before she married Anden
36 or Anderson. I used to knock around Caroline some before she
37 was married and had I been a little older I would have married
38 her myself, but Sam Anderson cut me out of her. I don't think
39 Anderson was ever married before he married Caroline. He told
40 me that Caroline was his first wife and he was not an old man
41 when he married Caroline. He was a low set man and kind of
42 stocky built- he was dark skin and had black hair and eyes and
43 I am pretty sure, from what he said, that he was in the army.
44 I am not related, I have no financial interest in this case, I

personally appeared John W. Kaho, who, being by me first

1 I am 66 years of age: P.O. Cannonsburg, Miss.

2 I am farming. I have lived here near Cannonsburg all my days.

3 I know Caroline Anderson and she is some times called Caroline
4 Anden, and they tell me that Sam Anderson to whom Caroline was
5 married, belonged to a man named Anden and that he came from
6 Copiah county, Mississippi. I met old Mr. Anden-Sam's owner-
7 here at Cannonsburg some years ago and I was told that he was
8 Sam Anderson's old owner before the war.

9 Yes, I knew Caroline long before she married Sam Anderson and
10 her folks and mine all belonged to the same white folks. The
11 Harrisons. They owned the place near where I now live.

12 Caroline went by the name of Caroline Williams before she
13 married Sam Anderson. Her mother was a Williams before she was
14 married the second time to Gabe Tyler. I never saw Caroline's

16 I am quite sure though that Caroline was never married until she
17 married Sam Anderson. I did not witness the marriage but I heard
18 of their marriage at the time it took place, and I do not think
19 there was any doubt about their being lawfully married. They
20 lived together from the time they were said to have been married
21 until Sam Anderson died. I personally know that Caroline has
22 not remarried since her husband died. She is an excellent woman
23 and I know nothing against her. Sam Anderson was very dark skin -
24 rather low in statue, and had black hair and eyes when I first
25 knew him. He spoke to me at times about his army life and I
26 think he was in the army. I always found Sam Anderson to be
27 a reliable sort of man and he drew a pension for some before he

9 the name of Caroline Williams before her marriage to Samuel
10 Anderson. Well his old name in war times was Sam Anden, and I
11 heard that his old owner was Samuel Anden and that he lived in
12 Copiah county, the adjoining county to this. I never knew
13 Samuel Anderson until in time of the war, and he was then a

19 when he got married to Caroline Williams. So far as I know
20 he had never before been married. I personally know that
21 Caroline was never married before she married Sam Anden or
22 Anderson. No, she did not live with any man before she was
23 married to Sam Anderson. I did not see them married but I
24 heard of the marriage at the time it took place, but the time
25 they were married I cannot recall. They were said to have been
26 married in Natchez. I know they were reported to have been
27 married many years ago and they lived together as man and wife

28 until Sam Anderson died and I buried him on the old Phillip
 29 place. I think he died November 1916. I forget the day of
 30 the month he died. Oh no, Carolin has not remarried since

I am 37 years of age; P.O. Cannonsburg, Miss.

I am farming. My mother, Caroline Anden, lives in the home
with me and my wife. My father was Samuel Anden and he served
in the United States Army he always told me, and he was in Co.
I, 6 U.S.C.H.Arty. As far back as I can remember my father and
mother were living together as man and wife and they claimed to
have been married years ago in Natchez, Miss. I am the oldest
living son to my parents and they had nine children in all, five
boys and four girls. My mother was a Williams before she was
married to my father. I can remember my grand-mother on my
mother's side. Her name was Mary Jane Tyler and her second
husband was Gabe Tyler. I have always understood that my own
mother's father was a Williams, and that she married my father
under the name of Caroline Williams. I have heard father and
mother say that neither of them had been married before they
were married to each other. Father and mother were never, at any
time, separated or divorced that I ever knew or heard of. Yes,
they were living together when father died and he died in the
home where we now live on the 10th day of November 1916. I was
present soon after father died.

I am quite sure that my father was in the army. He had often
told me that he was and said he served about Natchez. He said
he was born in Copiah county, Miss., and that he belonged to
a white man named Samuel Anden, and he said that was how he came
by the name of "Anden." I think he said his father was Anderson
and that he took his father's name after he came out of the army.
I am right sure that he told me that his father was an Anderson

28 and that his owner was Anden.
 29 Father, when I can first remember him, was a black skin man -
 30 with black hair and eyes- No marks or scars on his person.
 31 He was about five feet-five or six inches tall. I do not know
 32 of any one now living who was in the same company with father.
 33 Uncle Cary Rose was in the company with father and so was John

1 I am 62 years of age; P.O. Address Cannonsburg, Miss.
2 I am a farmer and have lived right here in this community for
3 36 years. I was a close neighbor to Samuel Anden and his wife
4 Caroline for years before Samuel Anden died, and when he died he
5 and his wife were living near me. I saw his body put in the grave
6 and he died in the month of November 1916. I have lived close
7 neighbor to Caroline Anden since the death of her husband and I
8 know that she has not remarried. She is a woman of good moral
9 character. Some time Samuel Anden went by the name of Anderson
10 but we mostly called him Anden, and he told me that Anden was his
11 old masters name and that he served in the army as Anden.
12 I never knew Samuel Anden before he served in the army and I
13 never knew him until he was married to Caroline. I do not know

15 that he and Caroline were married not long after peace was declared

TO THE EXAMINING SURGEON.

The claimant named on the outside of this circular has been directed to report himself to you for examination within three months of the date hereof, when the validity of the order will cease.

Should he present himself, please examine him and make your report to this Bureau at once, in accordance with the instructions of the pamphlet already transmitted to you.

(1) Orders for examination are issued in duplicate, one to the claimant and one to the examining surgeon, or board of examining surgeons. These orders should be carefully compared before an examination is made, as certificates of examination made upon orders issued to other boards or surgeons will not be accepted or paid for, except in cases in which this Bureau may direct such action by special instructions.

Any order received by a surgeon which is intended for another, should be immediately remailed to this Bureau in a separate envelope, together with the envelope in which it was received.

(2) If the order to the surgeon fails to reach him, and the applicant presents himself with his order, the examination should be made; or, if the claimant presents himself without an order, and the surgeon has one in his possession authorizing the examination, it should be made.

(3) Orders for examination received by the surgeons should be carefully filed, and at the expiration of three months from their respective dates, if the claimants have not reported, they must be returned and each order of this character must be indorsed "*Claimant failed to appear within the specified time.*"

Whenever a claimant shall have been ordered before a board of examining surgeons, and shall appear for examination, all the members of said board shall participate in said examination; nor will any certificate be accepted from such board which fails to show that all the members of the board participated therein, save only and except that in case the claimant, on appearing, shall find a less number of surgeons than the full board, the examination may proceed with the consent of the claimant expressed in writing on the certificate reciting such fact, and agreeing nevertheless that the examination shall proceed; and in that case such claimant shall be held to have waived the privilege of the statute relative to examination by a full board. (See forms on back of Medical Certificate.)

This Circular must be returned to this Bureau with your certificate of examination, accompanied by your daily account, or in the event of the person named in it failing to report within the specified time, return it indorsed as required by paragraph 3 of the instructions quoted above.

you give me the status of the same. I also referred to the fact that this
case was in the hands of the Field Examiner of the Pension Bureau, and that
I had learned from good sources in the neighborhood where claimant lives,
that he had completed said claim. The same is now pending in your Bureau for

Sir:

In the above-cited claim for pension, there is required a certified copy of the public record, showing the date of claimant's marriage to the soldier. The soldier stated, in a paper on file, that there was such a record in County Clerk's office of Adams County, Mississippi. If no record of said marriage exists, that fact should be shown by a certificate, under seal of the proper officer, and testimony of persons present at the marriage should be furnished.

The claimant should also furnish such proof as she may be able to obtain to show date of her birth.

Witnesses should state their ages, post office addresses and means of knowledge of the facts to which they testify.

Do not fail to inscribe upon each piece of evidence filed the soldier's name, service and number of the claim.

Very respectfully,

Commissioner.

Evidence introduced in claim to establish marriage of claimant to soldier shows license issued giving the name of the groom as Anderson and it is otherwise indicated that the soldier had been known by this name. In view of this a special examination is desired to determine what was the soldier's correct name and incidentally whether he rendered the service on which he was allowed pension. There should also be verification of evidence purporting to show ceremonial marriage of claimant to her late husband, there being no record of same although there is record of issuance of license and no particular reason to doubt that there was a ceremonial marriage at the time.

As the question of identity is raised we should have report from the Auditor for the War Department as to any claim for back pay or bounty and the loan of papers in such claim if on file.

It will be noted that the letter of the clerk of the court relative to issuance of license shows that the parties to whom license was issued were colored. It is also to be noted that the family data circular filed in 1898 started to give the surname as Anderson which name was stricken out following the name of the wife and the name Anden substituted. There is practically no reason to doubt that the present claimant is the widow of the late pensioner and little reason to doubt but that he was generally known by the name of Anderson and it would be well before resorting to a special examination to

State of Mississippi, In Re the Pension Claim of Caroline Anden, widow of
County of Jefferson, Samuel Anden, Co. I. 6th. Regt. U.S.C.V.H.A. #1086769.

Personally appeared before me this 5th day of June, 1917, at Fayette, the within named Caroline Anden, aged 72 years, a resident of near Cannonsburg, County of Jefferson, State of Mississippi, Post Office Address, Cannonsburg, Miss. who being by me first duly sworn according to law, says in relation to said case as follows to wit:

I was married in Natchez, Miss., during the year 1869. I don't remember the month or date thereof. I shall say that I was living with soldier Samuel Anden on the 1st. day of December 1869, the date on which the New Constitution of Mississippi went into effect, and which said Constitution validated to all purposes and intents, such living together or cohabitations as legal marriages. Although I married by license regularly issued by the Circuit Clerk of Adams Co. Miss. I, waiving the my marriage under the license above named, set up as proof of marriage my living with soldier as his wife at the time the new constitution of Mississippi was adopted as set forth above, Dec. 1st. 1869.

As per letter hereto attached from the Circuit Clerk of Adams Co. Addressed to the Hon. Jas McClure of Fayette, touching said Marriage, it will be seen that the license was issued Oct. 9th. 1869. and that there was no return to show that marriage ceremony had been performed.

I cannot give the exact date of my birth. I was born a slave. All my owners are dead, as also my parents. I was a young woman before the war began and was a field hand.

I don't know what became of the Plantation records in which the ages of slaves were recorded.

During the year 1870, month of June, and the Summer of 1880, I lived near the site of the present town of Cannonsburg, and my Post office address was Church Hill, Miss. I lived with my husband on the Richardse Harrison Plantation in the County and State aforesaid.

Case of Caroline Anden,

No. 1086,769.

On this 22nd day of May, 1918, at Cannonburg
county of Jefferson, State of Mississippi before me,
J. B. Steed, a Special Examiner of the Bureau of Pensions,
personally appeared Caroline Anden (Claimant), who, being by me first
duly sworn to answer truly all interrogatories propounded to her
during this special examination of aforesaid claim for pension,
deposes and says:

6-5121

I 73 years of age. I do not know the date of my birth, but
my last birth day October 8, and last October I was 73 years
of age. I am an applicant for pension as the widow of Samuel
Anden. He served in Co. I, 6 U.S.C.H. Arty. He had no other
service that I know of. The only names I ever knew my husband
to go by were Samuel Anden, and Samuel Anderson, but he was known
as Samuel Anden after he came out of the army. I do not know how
he came by the name "Anderson". His owner was named Samuel Anden
and he owned a plantation in Copiah county, near Brookhaven Miss.,
but I heard him say that all his old owners folks were dead.
I do not know of any one that was raised up with my husband.
Henry Buckles and Hezekiah Armistead were in the regiment with
my husband and knew him in the army. George Hall and the old man
Rose were in the same company with my husband but they are dead.
Oh yes, I have heard my husband and George Hall and the old man
Rose often speak about ^{being} in the same company. They would get together
and talk over what good times they used to have in the army.
I do not know who my husband's father and mother were, but they
died years ago back out there where my husband was raised.
So far as I know my old man had no brothers and sisters.
No, he left no discharge paper, and I often heard him say that he
lost his discharge before we were married and we were married 47
years. I first met my husband at Natchez while he was in the
army and he was then a soldier and had on his soldier clothes
and I often went out on the marching grounds there at Natchez
and I remember seeing my husband with the other soldiers on
dressparade and I know that he was a soldier in the army.

28 I was born aabout Vicksburg, Warren Co, Miss., but was brought to
 29 District No. 4, Jefferson county, when I was very small. My father
 30 was unknown to me and died they said before I was born. I never
 31 knew his name. My mother was Mary Jane Tyler, and she died about
 32 17 years ago. My mother belonged to Col. Richard Harrison and our
 33 old Missies was Fannie Harrison; some called her Fannie and some
 34 called her Matilda Harrison. Mother and I lived with my old master
 35 in the 4th District-Jefferson county- until the war broke out and
 36 we lived there mostly all during the war, with the exception of
 37 time I went to Natchez, but I did not stay in Natchez long but I
 38 came back near here and lived with mother. We stayed about 2 miles
 39 from where I now live. You might say that I have lived within 3
 40 miles of where I now live ever since I was a small child.
 41 I have four living sisters, I am older than the rest of my sisters.
 42 Alce Tyler is next to me, Celes Crisby is the next and Mary Ann
 43 Robertson comes next, and then Mindia Ann White, and they all live
 44 in this county. I have four brothers ,General Tyler, Richard
 45 Tyler, Davis Tyler, Jackson Tyler and Eugene and Gabe Tyler but
 46 the two last named are in the Delta country. They are half brothers.
 47 Q. By what name or names were you known before you say you married
 48 the soldier? A. I always went by the name of Caroline Williams
 49 and I took that name after my own father. They tell me that my
 50 own father was Hudson Williams, but I never knew him for he was
 51 dead before I was born. My step-father was Gabe Tyler and he was
 52 married to my mother before the Civil War, and he and mother lived
 53 together mother died. All the other children took the name of
 54 Tyler but me. I positively state that I was never married before
 55 my marriage to Samuel Anden, and I never lived with any man before
 56 that time. No, I never had any children born to me before I was
 57 married to Samuel Anden, and the only children I ever had were
 58 children born to me by Samuel Anden, and I was the mother of nine
 59 children by him. I have four living children, Caleb , Henry, Lydia
 60 and Carter and they are known as the Anderson children. The soldier
 61 married me as Samuel Anderson and not Anden. I do not know why he
 62 came by that name but he went by both names, Anderson and Anden.

Deposition of Claimant

No. 2

, continued, sheet

6-5120

1 I was married to the soldier in Natchez, Adams county, Miss.,
2 in the office of Mr. Foster, and my husband got the license there
3 in the Court House, but I did not see him get the license, but I
4 know that he got them there and I am rather sure that Mr. Foster
5 is the one that married us. We were married in October and it was
6 the ninth day of the month and along in 1869, or some where along
7 there. We were married about 11 o'clock in the morning. Emerline
8 Sposely, my sister, now dead, was there. Arabella Tyler was there
9 and she is dead. Jeanett Canady was there and she lives near me
10 now and she is the only living person that saw me married.

11 I sent my marriage license to Washington after I filed my claim
12 for pension. Q. How came you to get married at Natchez, Miss?

13 A. Well, we went to Natchez to get married because it was as
14 near there as any where else. Natchez was just as near to us as
15 it would have been to Fayette, and the folks here did most of their
16 trading ther at the time and that is, I suppose, the reason why we
17 went to Natchez to get married. No, I do not know of any one
18 there in Natchez that knows about my being married. No, we never
19 lived in Natchez. We did all our trading there though.

20 Q. Where did the soldier live directly after he came out of the
21 army? A. He was discharged at Natchez, and I heard him say that
22 he went up the river some place and stayed about six months, but
23 I do not know where it was, and then he came back here and settled
24 on what was then known as the William Hall place, and he lived there
25 until we were married. He told me that he was never married till
26 he and I were married. He told me I was his first wife. No, he
27 never lived with any woman before he married me that I ever heard
28 of. No, my husband never spoke of his having any children born
29 to him by any other woman. Yes, we lived right around here in
30 this vicinity from the time we were married till the soldier died
31 and I am not living over two miles from where I was brought up.
32 Every body most in this country know me and they knew the soldier
33 too. No, soldier and I were never separated at any time from
34 the date of our marriage till death parted us.

Q. Give the description of your husband when you first knew him? A. He was not tall nor was he a large man, said he weighed about 160 pounds and he was not an old man in the army- I think I heard him say he was 19 years of age when he went in the army. I am sure that he lived in Copiah county when and before he went in the army. He said he walked all day and night to get to Natchez to enlist in the army. Word "being" line 16 sheet 1 interlined. Mike Howard is my attorney and he has been doing all my writing for me. He did my old man's pension work for him. I do not know that any thing was said about how much I was to pay him. I do not know how much I ought to pay him. I have not paid him any money for his services as yet. I guess I will pay him about ten dollars if I get my pension.

I have heard all my rights explained and I freely waive them all and do not care to be represented by an attorney at the further examination of my case. Further notice is waived by me.

I have heard this statement read and I have been correctly recorded herein.

Post-office, Cannonsburg, Jefferson Co, Miss.

Vicksburg, Miss., May 24, 1918.

The Commissioner of Pensions,

Sir:-

I have the honor to return with my report all the papers in the above indicated case, which was referred for special examination to determine what was the soldier's correct name and incidentally whether he rendered the service on which he was allowed pension. There should also be verification of evidence purporting to show ceremonial marriage of claimant to her late husband, there being no record of same although there is record of issuance of license and no particular reason to doubt that there was a ceremonial marriage at the time.

The papers came to me by transfer from Special Examiner H.L. Elliott, Memphis, Tennessee, on the 25th day of April 1918, for the initial investigation. The usual notice was served and the claimant was advised as to her rights and privileges and she waived them all. She was only present when the testimony of Jeanet Kennedy and Edward Baker was taken and there being no adverse testimony I did not return to the claimant's home and read to her the testimony otherwise taken.

The claimant comes of the old fashioned type of corn-field darkies and she has the reputation of being an industrious old woman - seems to be perfectly innocent of any wrong doing since the death of the soldier. In fact, the claimant has borne a good reputation all her life, and so far as I could ascertain she and the soldier always got along well together. The soldier was said to have been an industrious negro in his day and time, and was very well respected by those who had known him for a good many years. The names he was known by were Samuel "Anden" and "Anderson" and it appears that his slave owner was Samuel Anden, and that perhaps the soldier's father was "Anderson" and that after coming out of the service he took the name of his father. At the same time he was known in the vicinity where he resided for about fifty years - as both Anden and Anderson. The name A u d e n, seems to have been a clerical error and I am satisfied, after making the necessary inquiry, soldier was never known as "Auden."

4
The claimant says that she knew the soldier first while he was in the service at Natchez, and some how I believe she stated the facts when testifying. Phillip White - although not in the service - says that he was at Natchez for a time while the war was going on, and that he remembered seeing the soldier there in the camps. Henry Buckley, late of Co. C, 58th U.S.C.I. says he knew the soldier while in the service at Natchez, and he says he is positive that soldier rendered the service on which his pension was allowed. From the manner in which these witnesses testified I think due credence and weight can be given their statements.

I failed to locate any one who served in the company with the soldier. Cary Rose and Ben Hall who are said to have been comrades of soldier-see card of identity filed with papers in the case-are dead. Hezekiah Armistead, bj-9- widow's claim-is said to have known the soldier in the service, but he was away from home when I called to see him and it was ^{not} known when he would return and for that reason I failed to see him.

Claimant states, in a rather satisfactory manner, the circumstances under which she and soldier were married and gives their reason for being married in Natchez, Adams Co, instead of being married at Fayette, Jefferson County.

Claimant says they were married in the office of Judge Foster, and she thinks he married them. Judge Foster is yet living in Natchez, but he is getting very old and is in his dotage and knowing him as I do, personally, I did not think it advisable to visit Natchez to see him relative to this marriage, for I am sure he would not remember the circumstances although he might have performed the marriage ceremony.

Jaenet Kennedy testifies to being an eye witness to said marriage and she testified in a convincing manner, and being a person in good standing and far above the average of her race in point of intelligence, I think she may be rated good in this case. It seems to be perfectly reasonable that she should have been present at the wedding, in that she and the claimant have known each other from childhood and belonged to the same slave holder, Richard Harrison and wife Fannie.

I interviewed some who have known claimant for years, whose testimony I did not take, and they all seemed to be agreed on the question that claimant was married to the soldier as alleged, and they based their opinion on the fact that it was current report at the time, that soldier and claimant were married ceremonially at Natchez, Mississippi.

It appears that the soldier settled on the William Hall place, near the old Harrison plantation, soon after he came out of the service and there lived till his marriage to claimant.

Claimant says that the soldier told her he went up the river from Natchez soon after being mustered out and that he remained up the river for six months when he went on the Hall place. She does not seem to know where he was located but the chances are that he was not married until his marriage to the claimant. The marriage record of Jefferson county was searched and there is nothing to show that a license was ever issued to the soldier for his marriage to any woman.

I am quite confident that claimant kept nothing under cover in the way of a prior marriage on her part, for she now lives within two to three miles of where she was raised from a child, and where she has lived since the close of the Civil War, and after making the necessary inquiry amongst those who have known claimant and who had known the soldier for years, I do not believe that further material evidence, save in a cumulative nature, can be had on the points at issue.

I am recommending the papers for the consideration of the Chief of the Board of Review.

Respectfully submitted,

J. B. Howard

Hon. Percy E. Quin,
House of Representatives,
Washington, D.C.

My dear Mr. Quin:

In response to your letter, with which you enclosed a letter to you from Mr. Frank Huttenlocher, Fayette, Mississippi, (herewith returned, as you request), inquiring as to the possibility of obtaining increases of pension for Joshua Rucker, invalid certificate #1005804, Mrs. Caroline Anden, widow certificate #857436, Mrs. Kieele Smith, widow certificate #704162, and Mrs. Mollie Wallace, widow certificate #765319, I have to advise you that if the first named of these pensioners, - who is now in receipt of \$50.00 per month under the act of May 1, 1920, - is so nearly helpless as to require the regular personal aid and attendance of another person, he may be entitled to the \$72.00 rate of pension provided by the second section of said act, and is at liberty to execute and file the enclosed blank application therefor.

The three widow pensioners named are all in receipt of a pension of \$30.00 per month under the act of May 1, 1920, and there is no law under which a widow pensioner can be granted a greater rate. The provisions of the act with reference to an increased rate on account of physical or mental disabilities do not apply to widow pensioners.

Very truly yours,
